## Google Chrome Update 2016 Download Free

- At the top right, look at More
- If an update is pending, the icon will be colored:
- Green: An update's been available for 2 days..
- Click Relaunch The browser saves your opened tabs and windows and reopens them automatically when it restarts.. If you'd prefer not to restart right away, click Not now. With these updates, you might sometimes notice that your browser looks different.. But if you haven't closed your browser in a while, you might see a pending update:
- On your computer, open Chrome.

- Click Update Google Chrome If you don't see this button, you're on the latest version..
- Orange: An update's been available for 4 days
- Red: An update's been available for 7 days.. Get a Chrome update when available Normally updates happen in the background when you close and reopen your computer's browser.. To make sure you're protected by the latest security updates, Google Chrome can automatically update when a new version of the browser is available on your device.. Published on Sep 10, 2016 In this brief tutorial, I take a look at the new version of Google Chrome, complete with a new color scheme, incognito mode and general browser.. To update Google Chrome:
- On your computer, open Chrome
- At the top right, click More.
